Security Statement

Information Collection

Toogoodtowaste are the sole owner of the information collected on this website. We collect information from our users for the sole purpose of providing goods and services as advertised on this website.

Information Use

Toogoodtowaste only use personal information to operate and deliver the products and / or services requested.

Toogoodtowaste does not sell, rent, lease, lend, or give its user lists to third parties for any reason except where a legal issue may place us under an obligation to do so.

Cookies

This web site does not use cookies.

Log Files

Like most standard website servers, we use log files. This includes internet protocol (IP) addresses, browser type, internet service provider (ISP), referring/exit pages, platform type, date/time stamp, and number of clicks to analyse trends, administer the site, track user's movement in the aggregate, and gather broad demographic information for aggregate use. IP addresses, etc. are not linked to personally identifiable information.

Sharing

We only share the minimum amount of data with couriers and carriers to facilitate the speedy delivery of your purchase.

Legal Disclaimer

Though we make every effort to preserve user privacy, we may need to disclose personal information when required by law wherein we have a good-faith belief that such action is necessary to comply with a current judicial proceeding, a court order or legal process served on our website in accordance with the Data Protection Act 1998.

Links

This website may contain links to other sites. Please be aware that **Toogoodtowaste** are not responsible for the privacy practices of such other sites. We encourage our users to be aware of this when they leave our site and to read the privacy statements of each and every website that collects personally identifiable information.

This privacy statement applies solely to information collected by **Toogoodtowaste**.

Security

This website takes every precaution to protect our users' information. When users submit sensitive information via the website, their information is protected both online and off-line.

All of our users' information, not just the sensitive information mentioned above, is restricted in our office. Only employees who need the information to process mail orders are granted access to personally identifiable information.

Our employees must use password-protected applications when dealing with this information. We process all credit card transactions manually, then physically destroy these details upon completion of the transaction.

Correcting/Updating/Deleting/Deactivating Personal Information

If a user's personally identifiable information changes (such as postal code, phone, email or postal address), or if a user no longer desires our service, we provide a way to correct, update or delete/deactivate users' personally identifiable information. This can be done by contacting us and requesting that your details be changed or removed. Please be aware that requesting this may render you unable to use certain services we provide in the future.

Notification of Changes

If we decide to change our privacy policy, we will post the changes to this privacy statement, the homepage, and other places we deem appropriate.
